Change and diversity are the meaning of our world, the American Dimension. It is because the season changes, the weather changes, the country changes that the map goes on and on.

Pioneer Dedication

Mrs. Anita Burke

Conferences with parents, soothing hours with distraught kids, and herding students into classrooms from the beckoning quad is not always an easy job. Neither is keeping a gum ball machine filled or being sure to have enough stickers on hand to go around the entire school. Having a desk kidnapped and held for 24 hours with the high ransom of a particular American flag can also prove to be a traumatic experience. To weather all this and more is to know the strength and warmth of Anita Burke.

To many, Anita Burke is the ever-handy milk lady, but to others she is more. She is a counselor and a friend. Her smile and bright conversation have a way of reaching each individual as an individual - in a personal way. Because of her many friendships, hard work and caring nature, we dedicate this, the 1978 Bicentennial Pioneer Annual to you, Mrs. Burke.

Our second national birthday is more symbolic than simply it's birth and the passing of a two-hundred year period. This celebration also symbolizes achievements and growth reminding us of the past that shapes our present and gives hope for a productive future.

*My country 'tis of thee
Sweet land of liberty
Of thee I sing
Land where my fathers died
Land of the pilgrims pride
From every mountain side
Let freedom ring*

Abraham Lincoln

Dear [unclear]
I am so sorry I have had
so much time to write
and I am still not able to remember
what I wanted to say. (part)

I am sending you my love
and best regards.
Love always,
B. Boddy

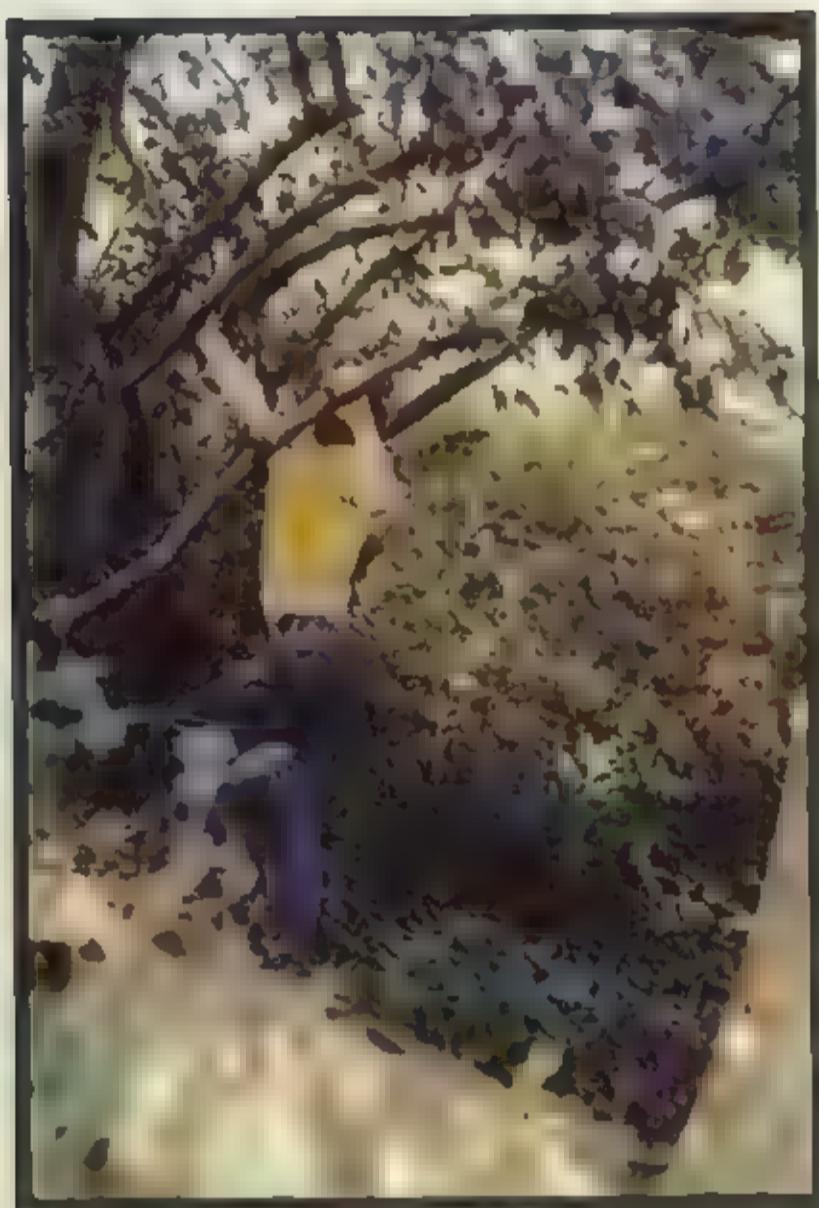

With love
from Avon

Yesterday a child came out to wander
caught a dragonfly in a jar
Fearful when the sky was full of thunder
and tearful at the falling of a star
Then the child moved ten times round the seasons
skated over ten clear frozen streams
Words like when you're older must appease him
and promises of someday make his dreams.

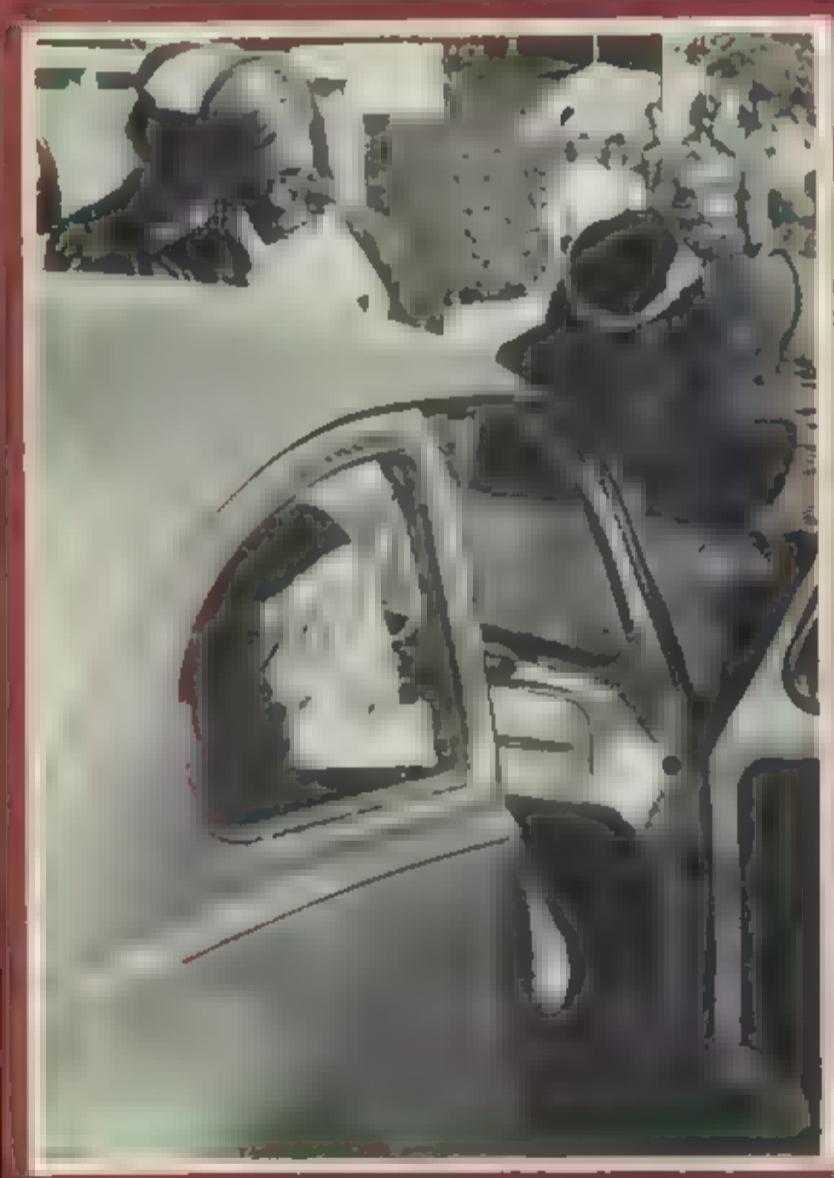

Sixteen springs and sixteen summers gone now
cartwheels turn carwheels thru the town
And they tell him take your time it won't be long now
till you drag your feet to slow the circles down

So the years spin by now the boy is twenty
Though his dreams have lost some grandeur and plenty
before the last revolving year is through.

And the seasons they go round and round
and the painted ponies go up and down
We're captive on the carousel of time
we can't return we can only look behind
from where we came
And go round and round and round
in the circle game.

*Sometimes not often enough
We reflect upon the good things
And our thoughts always center
around those we love
And we think about those people,
who mean so much to us
And for so many years have made
us very happy
And we count the times we have
forgotten to say "thank-you"
And just how much we love them*

Mr. Pioneer

Mr. Pioneer started his years at Simi High as a manager for the Varsity Football Team. Throughout his three years he has carried on that job, and many more. In his Junior year, he added the jobs of Wrestling and Baseball Manager. He also was involved in Junior Class and C.S.F. In his senior year, Mr. Pioneer also held the office of Student Body Vice-President, in which he did a fine job. The honor of Mr. Pioneer 1976 is well deserved by, *James Spellman Jr.*

Miss Pioneer

Serving as treasurer in her Sophomore year, Vice-President in her Junior year, and President in her Senior year, Miss Pioneer has been continually active in Girls' League. Her Junior year consisted of being Historian for Keywanettes, a track stat, and a honored member of the Ivy Chain for that years graduates. She was also involved in A.F.S. and House of Reps, and C.S.F. throughout both her Junior and Senior year. As if this involvement wasn't enough, she also did a great job as Senior Class President. A warm congratulations to Miss Pioneer of 1976.

Kevlin Smith.

I Can Dance!

The season began with a great Hello Dance. We rocked and rolled, bounced and bopped, and got acquainted to the tunes of Favorite Son. A chosen few were even blessed by the pink fairy in tennis shoes seen frolicking around the dance floor. We started the year off right, came back for more, and all in all had a rocking year.

SHAVE IT. . .

"I'll shave my moustache if our Varsity Football team wins two in a row," vowed Mr. Mariano after our team suffered two losses in a row. Well when the guys pulled it off against Royal and Thousand Oaks, he shaved it off and kept his promise. Sam Ruvulo played barber out on the quad for all to see. Some of the comments from students were: "He looks younger" and "He doesn't look like Dr. George anymore." Mr. Mariano said his wife didn't even notice anything missing at first. He also tells us that they could have shaved him bald had they beaten St. Paul. When asked how he felt with a naked upper lip he replied, "Pretty cold."

Powder-Puff Pigskin

The girls' flag (tackle?) football held on the quad left the sophomore team victorious. In the first game the sophomores defeated the juniors 6-0 when the girls seemed to forget what the flags around their waists were for. They also beat the senior team by the same score. Bob Misko coached the juniors and Coach West the seniors. The rowdy tenth graders were coached by Matt D'Errico. Congratulations sophomores!

With the Senior Class planning the 1975-76 Homecoming it was a night of many delights. The theme was Bicentennial which was carried through with the half-time show and floats. Sweepstakes was won by The Key Club with Aesculapians taking first place. After the floats there was a performance by the Marching Band and Drill Team and the crowning of the Queen, Karen Shelnut.

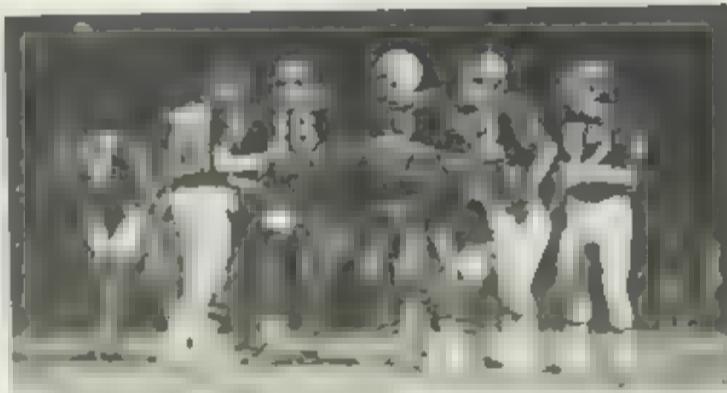

Pg. 70 1. Jr. Class takes the best theme. 2. Ski Club plows it's way to most original. 3. If we lose this one, we'll really be in trouble. 4. Mr. Wallace directs the Band. Pg. 71 1. Aesculapians totaling the tea. 2. Hey bobatiba sing Laura, Mary and Kelly. 3. As if my I wasn't tall enough without standing on that! 4. A crowd of routy observers. 5. Smile big and say cheese!

*A Night Of Memories
For Everyone*

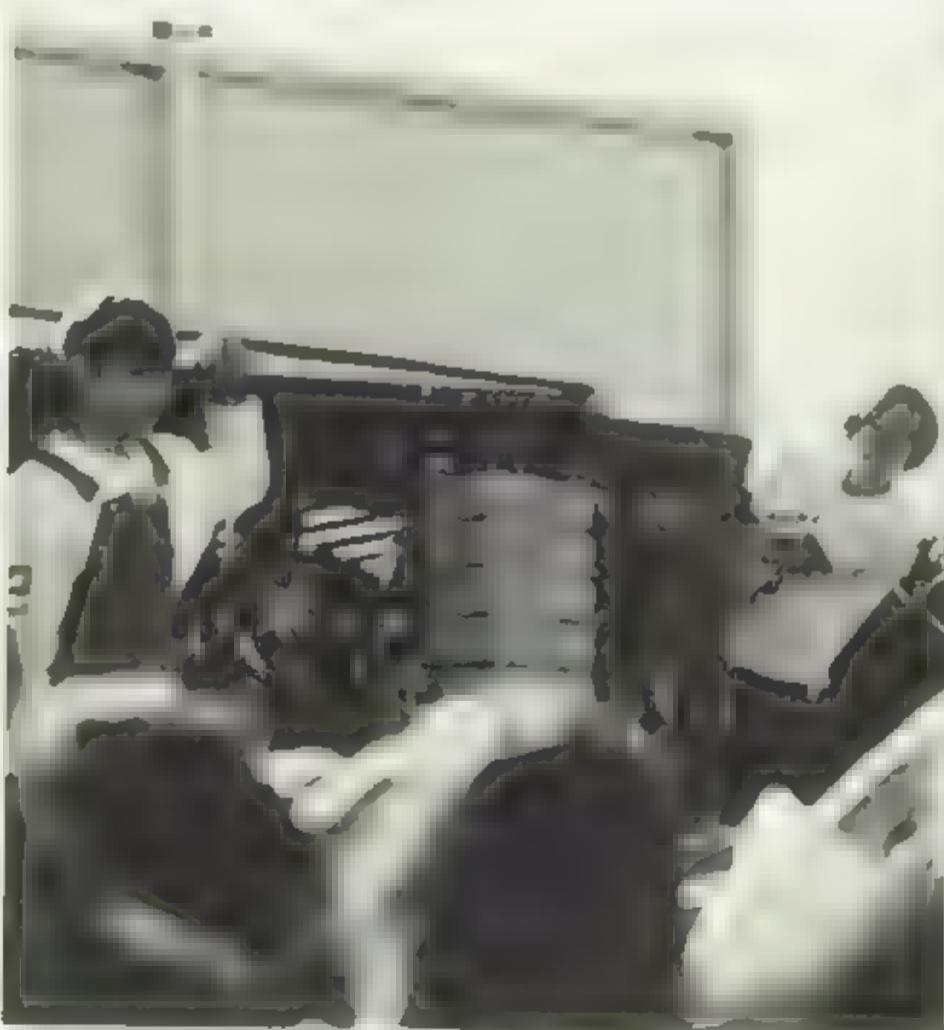

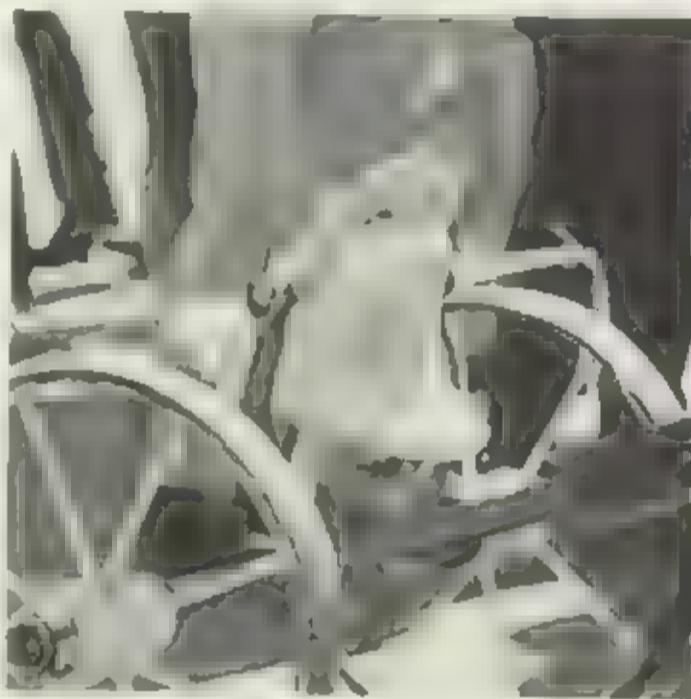

It all started back in the dark ages. The year was 1966, our first in the Channel League. Thousand Oaks High School was our cross town rival. Royal didn't even exist! Ah, the good ole days.

The Prometheans of that year took it upon themselves to acquire a certain bell from the old Simi High School, (located where Apollo is now) for the Simi High we know today. They built a chariot for it, painted it maroon and gold, used it for promotions, and brought it to games, among other things. They loved and cherished their bell, but alas, they came to lose it.

A football game between Simi and T. O. was in the near future. The tension was mounting. The local newspaper told of a raid on T. O. by Simi students, complete with pictures. Here is an excerpt from that article: "The group armed with posters and tape attacked the Lancer quad at 10:30 p.m. The purpose of the dastardly deed was to create constructive spirit rivalry between T. O. and Simi Valley High School." The posters carried such messages as "T.O. has B.O." (Certainly more creative than burning letters in the grass).

But how did we lose our bell, you ask? Well our varsity football team met with the leadership class of T.O. Purpose? To spark more constructive rivalry. It was agreed that the winner of the game would be keeper of the bell. Needless to say, T.O. was victorious. Ditto for the following nine years. During this time many rumors were spread about the welfare of our bell. Some said they melted it down and made roach clips out of it, truly an awful fate to befall it. They did, however, paint over our own maroon and gold with their school colors. But we need wonder no longer what's become of our bell. It's back with its rightful and deserving owners, back to its true colors, completely intact. We thank the 75-76 varsity football team and congratulate them on their 21-14 victory when

We Kicked The Bell Out Of T.O.

Troll The Ancient Yuletide Carol

The Madrigals, Chamber Chorale, and Concert Band provided us with a beautiful concert during the Christmas season, pleasing the eye and ear. Highlights included the talented wonder of the keyboard, Martin Oliver, and a moving solo by Heidi Goodspeed. The band was led by Mr. Wallace, the singers by Mr. Trerise.

1, 2, 3, 4. . .

Simi High's drill team, led by captain Kay Hunt and co-captains Melanie Chrisenberry and Sandi Faraci, had a rewarding 75-76 season. Of the five parades they marched in they brought home the highest award in three, and also took first over other high schools at C.S.U.N. for half time competition.

Our drill team, advised by Ms. Blackburn, has entertained us many times at assemblies and half times. Who could forget the time they beat Royal "West Side Story" fashion? We are proud of our drill team and would like to thank them for representing Simi High so well.

Basketball Homecoming: Twistin' The Night Away

Even though we were defeated in the game, Basketball Homecoming held a lot of fun and spirit. Students dressed up as their favorite rock stars that Friday, and winners were picked at an assembly that showed us "topless girls." Reasonable facsimiles of Elton John, Kiss, The Marx Brothers, and even a couple of spaced out groupies were seen on campus that day. Later that night at one of our best dances we heard a really great band called Air borne, and the Homecoming court was chosen with Linda Faraci reigning as queen.

*Meet Me

*Donkey Basketball:
Action To The Max*

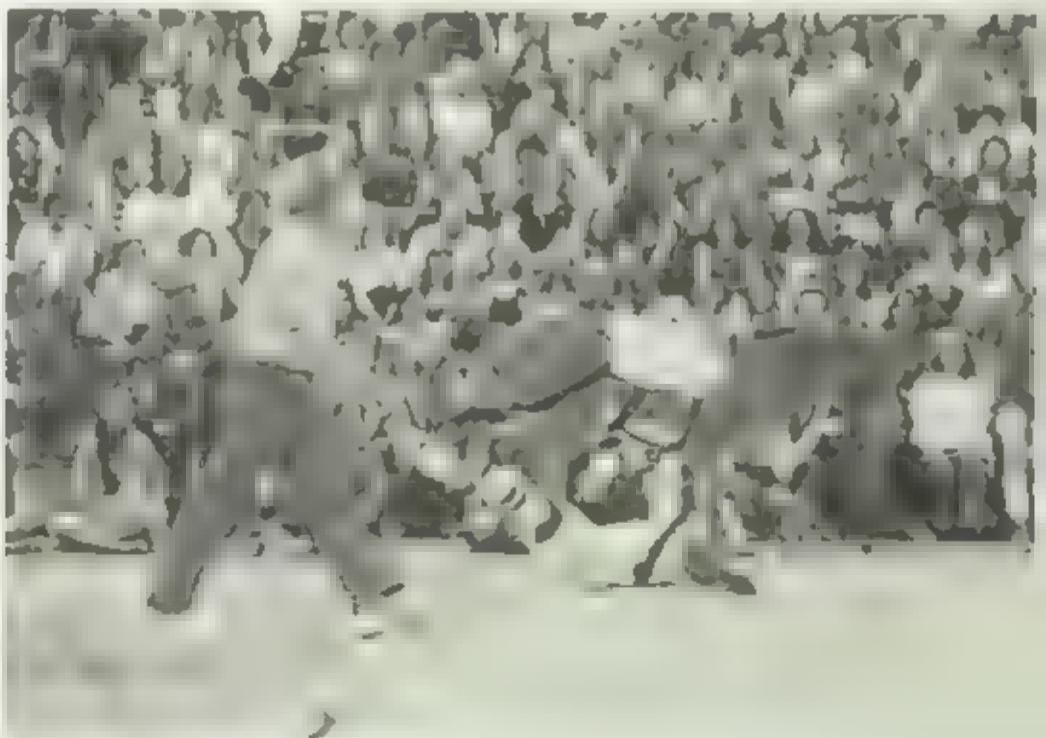

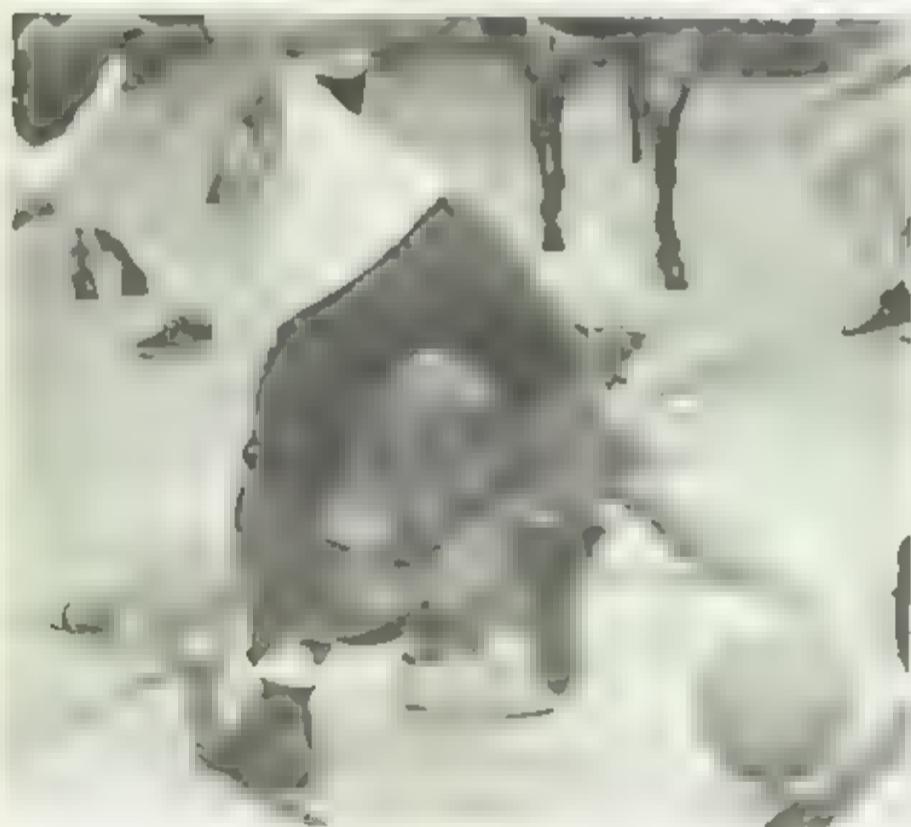

IONE

Those of us who attended Donkey Basketball really got our money's worth. There was never a dull moment as students vs. teachers galloped across the court hanging on for dear life. Joe Longo and Penny Corr were chosen as King and Queen. The final score was 26-24, the students victorious of course.

Hi-Ho Silver Away!

The 75-76 assemblies have been a lot of fun. Cary Travanovich entertained us with some very convincing pantomime and a hypnotist did his thing on some fellow students. Pep assemblies were very successful and we had a lot of rowdy rooters this year (yeah for rowdy rooters!). Much spirit was displayed and all those involved did a great job.

Sweetheart Dance

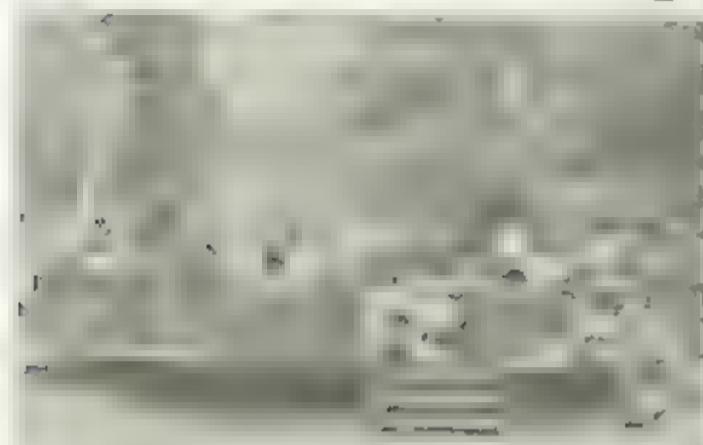

Once again, the Drill Team and Prometheans, in keeping with the tradition of love, kisses and cupids, sponsored the annual Sweetheart Dance. Denise Valentine was crowned Promethean Sweetheart as announced by Promo. Pres. Kevin Martin. Denise was escorted by Greg Quinlan. First and second runners up were Sandi Faraci and Cherie Racicot respectively. The other princesses included Melanie Christenberry, Lana DeVries, and Annette Anderson.

Saturday Night's Alright For Dancing

Yosemite Trip

Let's Go Climb A Rock!

On February 22, at 5:15 in the morning, 48 students and six chaperones began loading their school bus with their backpacks and other belongings for a week they would never forget.

It was Simi High's first trip with the Yosemite Institute, perhaps one of the best programs ever offered by our school. The students stayed in beautiful Yosemite Valley in cabins. Every day offered a new experience. They hiked to the top of waterfalls, rode bikes around the valley, went bird watching, built a snow shelter, and went ice skating, to name a few. One day and two nights were spent at Crane Flats, where they learned to cross-country ski.

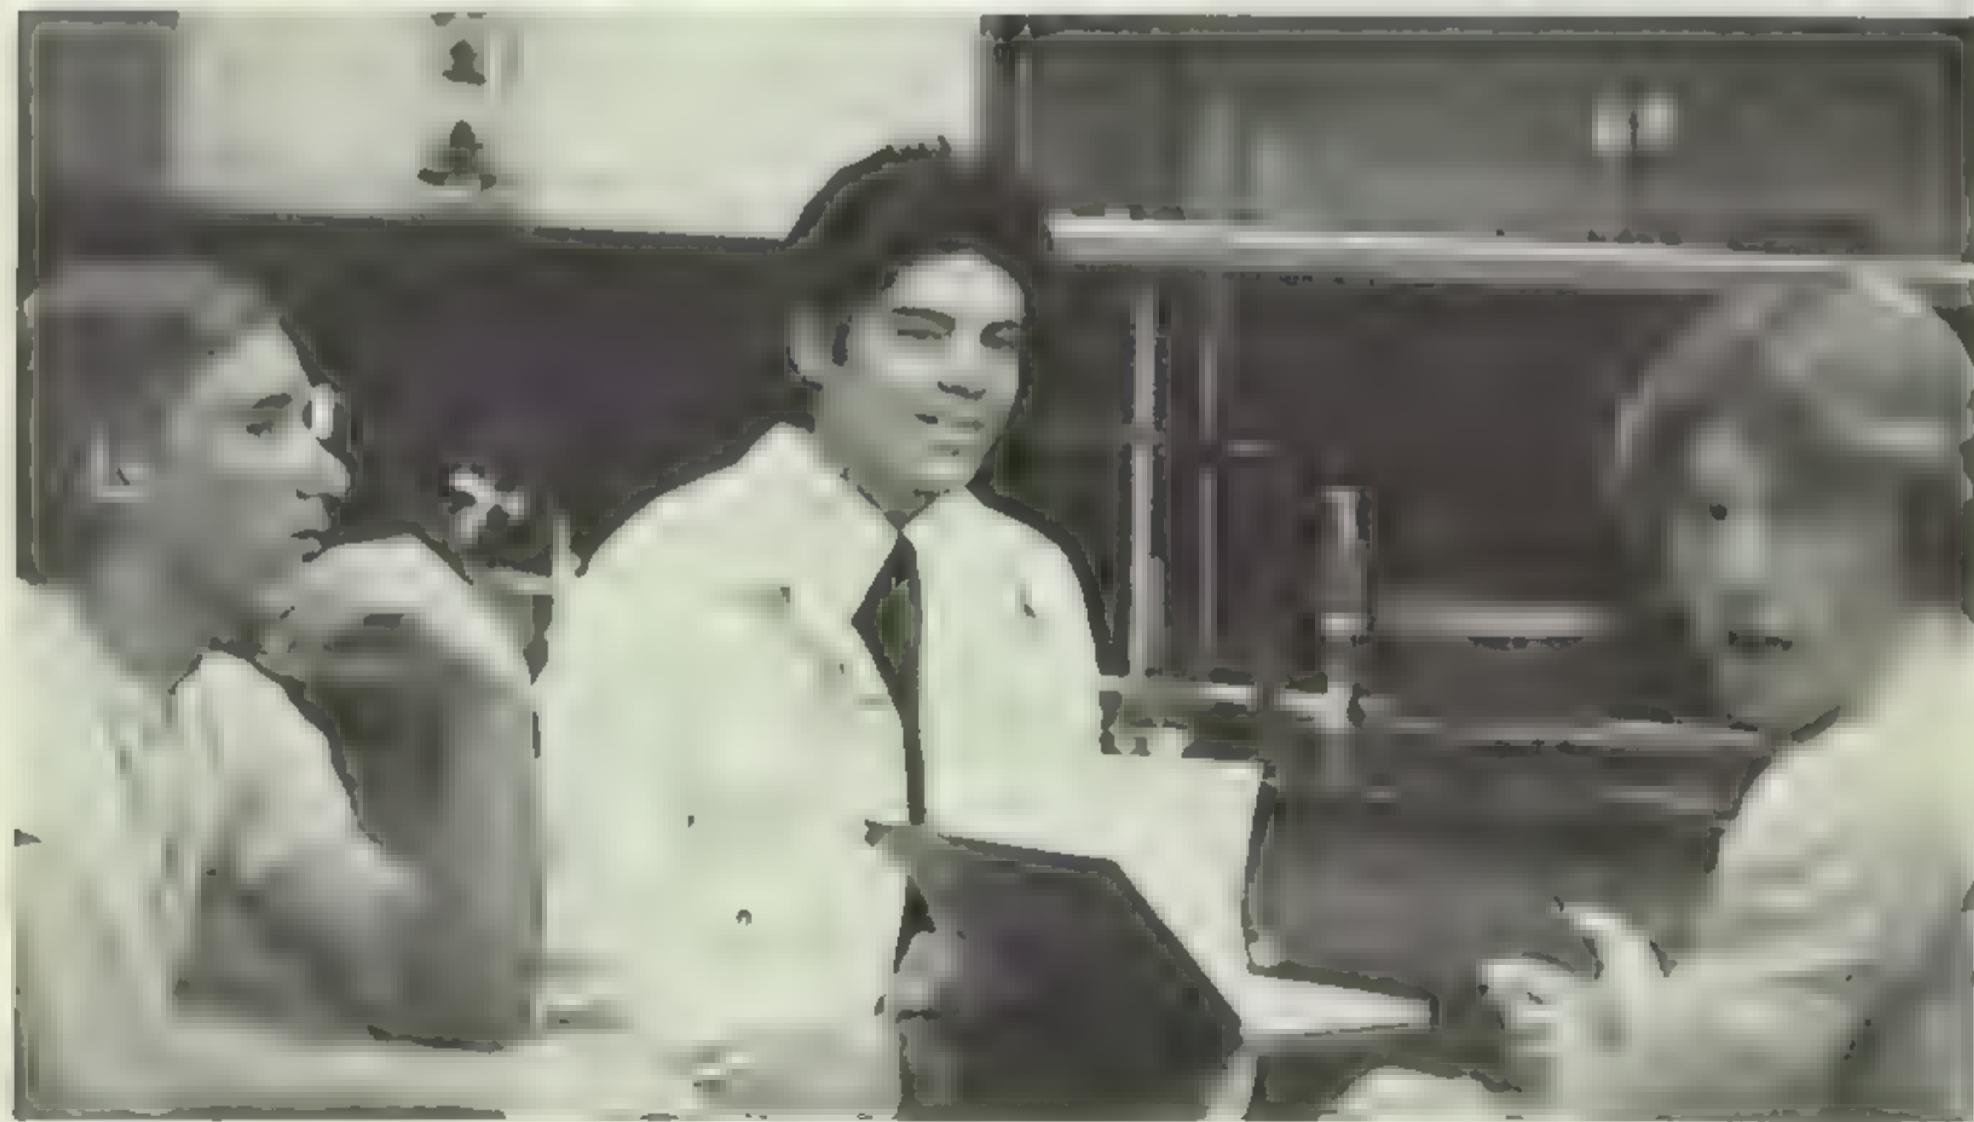

Geography, history, biology, geology, botany and survival were among the subjects taught, (and without textbooks!) and many new friendships began. Learning was made fun and easy and much knowledge was gained. It was a fantastically enjoyable and educational week for all it's participants. Even the bus ride home was great!

Simi High has been invited back next year and would like to make this an annual trip. Anyone attending school here has a chance to go, until all the places are filled.

What Is F.F.A.?

**Learning to Do
Doing to Learn
Earning to Live
Living to Serve**

Every year we develop new organizations. This year, an old one was reborn.

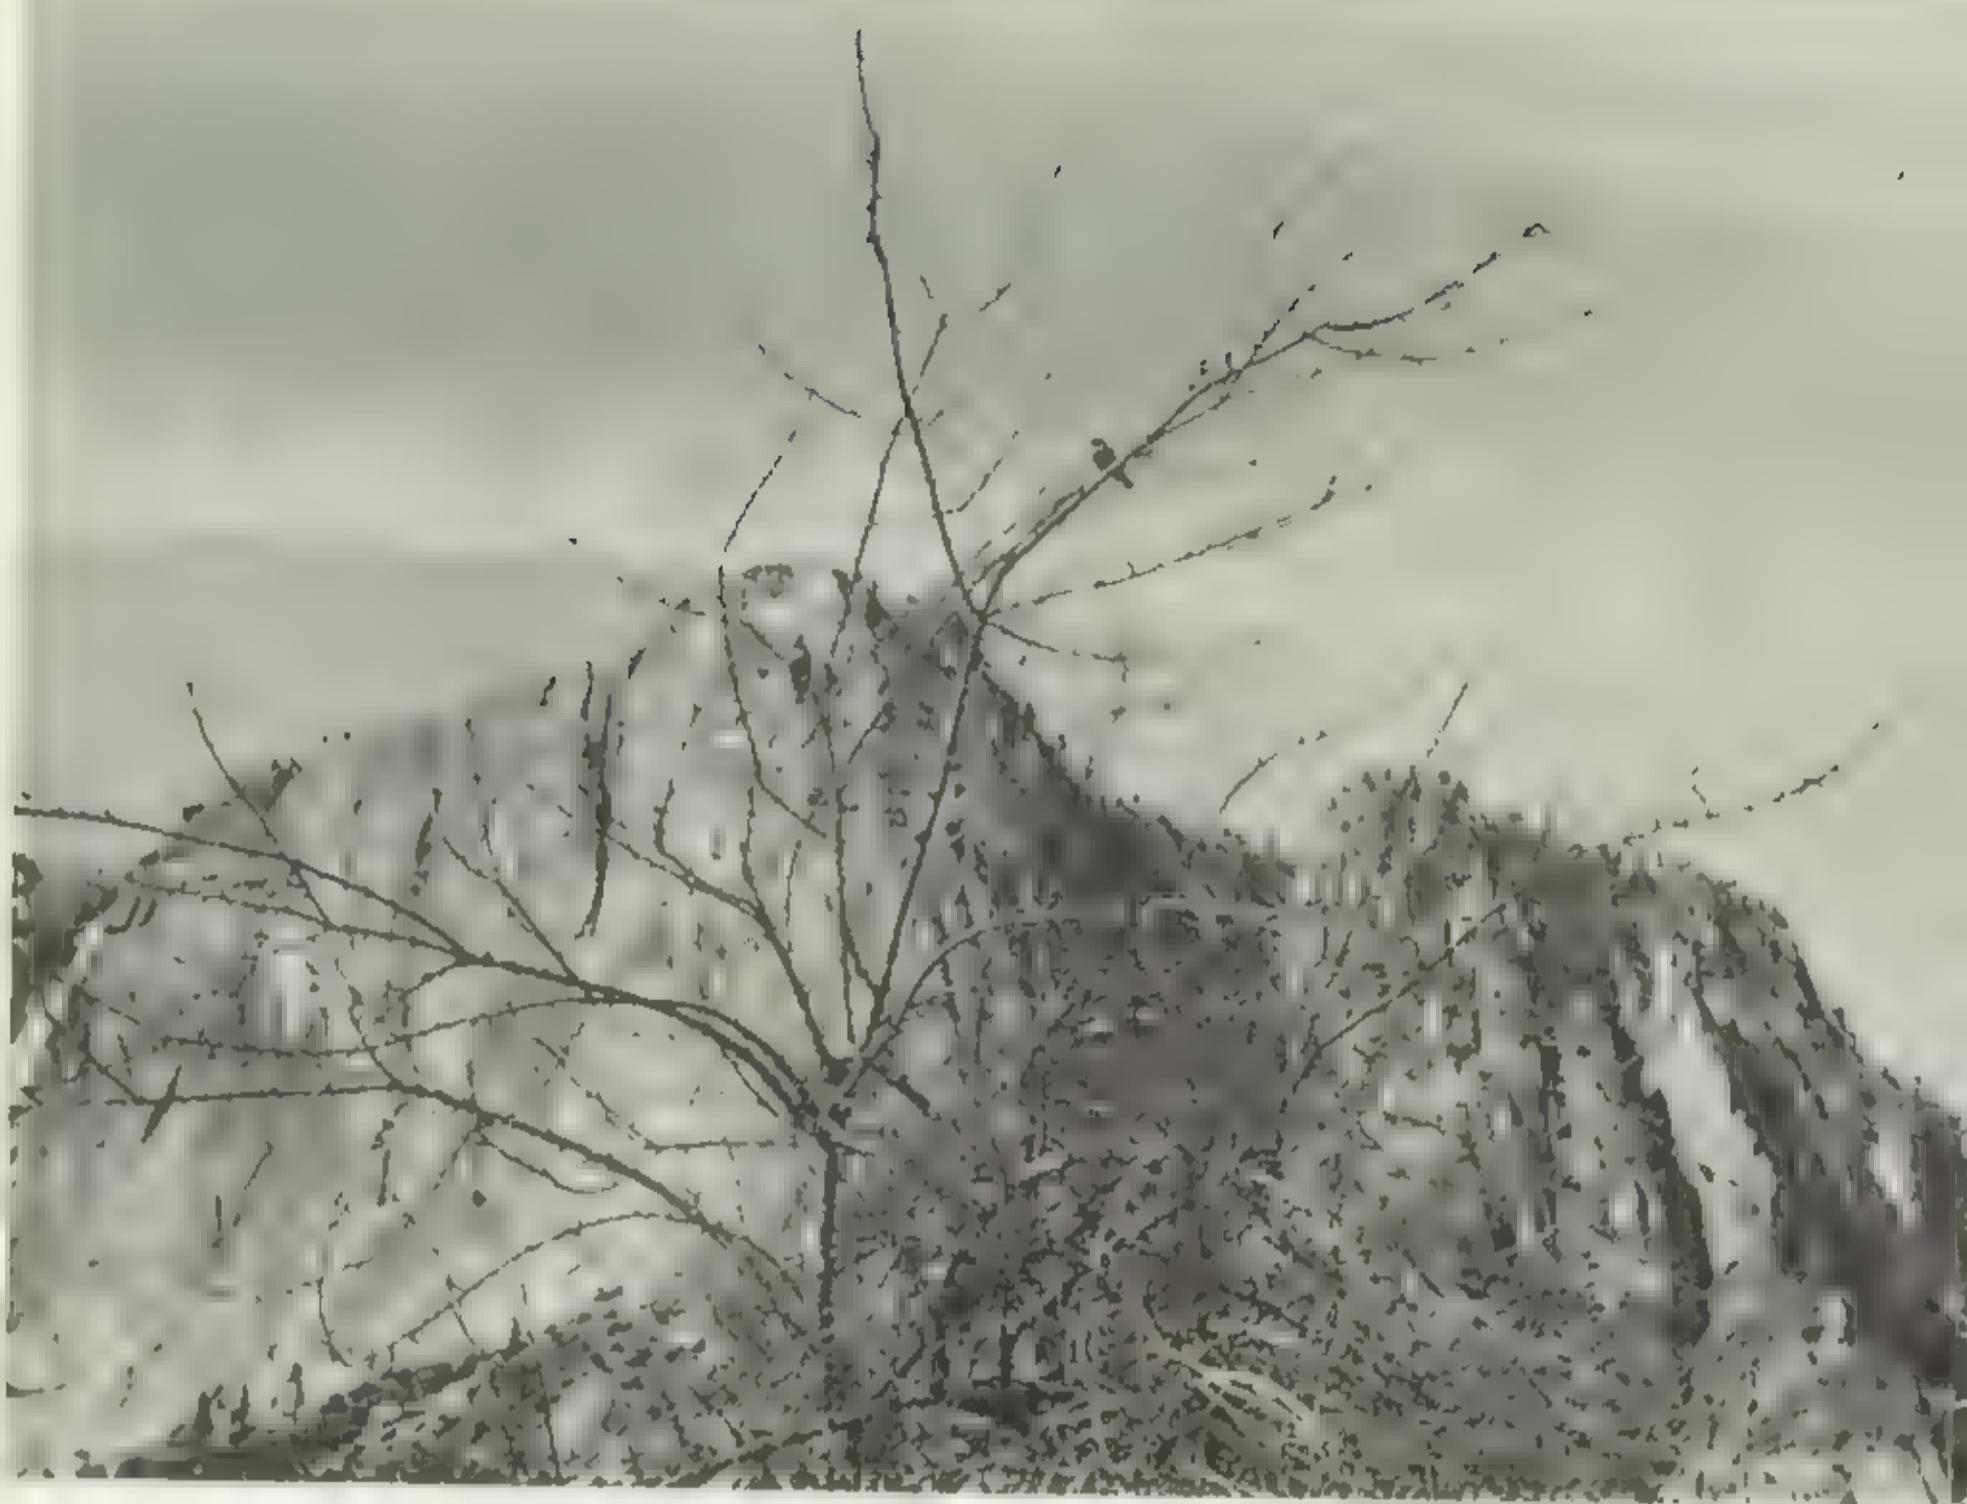

The F.F.A., Future Farmers of America, was inactive for 20 years in our valley when the issue was recognized. In October of '75, this chapter of the organization was revived.

What is the F.F.A.? It is a national organization of students studying vocational agriculture in high school. The primary aim of the F.F.A. is the development of agricultural leadership, cooperation and citizenship.

Each member has his own projects that are the framework of his dreams. The interest is not only in farming as we think of it, but in nursery work, forestry, machinery and livestock.

The school has given them the use of the greenhouse and is planning to provide them with room to raise small animals such as rabbits and chickens. Remember - agriculture is more than farming.

Look like a boring activity? Well, it's what you make it! These two pages have been provided for you to do with what you will. Maybe there's an activity we didn't include that you enjoyed. Or maybe something that happens toward the end of the school year (the prom, graduation, grad night, etc.) or maybe something the annual staff never puts in at all (senior camp out, senior ditch day, etc.) After all, a yearbook is to help you remember what that year held for you. So these two pages are for your own personal memories of the '75-'76 school year. Have fun!

Not whom you met, nor what was
said, nor done, nor eaten, can
count the ashes of time, but only
something (probably unlooked for)
something which came out of space
and passed you as it went it's way,
and you stopped and looked and were
a little changed.

Wanted: Pioneer Annual Staff

These people are wanted, dangerous criminals. If seen, please report to the authorities. Inside sources tell us this group has joined together and produced a yearbook that is an absolute crime. Be on the lookout.

MICHELLE CLAY, aka Cold as Clay, Pioneer enemy #1. The organizer behind this gang. Brutal and vicious.

PENNY CORR, aka Rotten to the Corr. Sidekick to Michelle. When Michelle's time is up, she will take over as head man.

FRANK COMITO, aka Cool-hand Comito. #1 hit man of the group, trusted by no one. Is frequently seen at school functions shooting fellow Pioneers.

LANA DEVRIES, aka Bird legs. So skinny that she is used by gang to slice up enemies with her elbows.

KELLY PINKSTON, aka Baby face Pinkston. Always seen in the company of a fairhaired athlete. Are believed to be siamese twins.

BECKY SAVELL, aka Six-gun Savell. Is always seen on campus with a camera on her shoulder. Rumor has it that it is reatly a 44 magnum.

BETTE BRANCH, aka Big Time Bette. This Branch is a real twig, always out on a limb to cover any activity.

LISA HARRIS, aka Hoodlum Harry. This girl is a real card. Always ready to bug with her wit and humor.

MARK SAXELBY, aka Sax the Ax. Beware of this cut up; known for butchering prints.

RODNEY DIETHRICH, aka Rod the Clod or Dirty Darkroom Dietrich. Wanted for everything, known for nothing.

KATHY WHITNEY, aka Wandering Whitney. Not seen or heard of on campus, try the Golden Arches.

DEBBIE BAYLISS, aka Dating Debbie. The only member equipped with bionic fingers, capable of typing 100,000 words per minute.

DENISE VALENTINE, aka Dizzy Dee. The master of disguise with 1,000 different faces.

PEGGY PERNEAU, aka Picky Peg. She can pick apart a page better than Peter Piper can pick a peck of pickled peppers.

SUE ABBEY, aka Flabby Abbey. She can be seen tapping around town doing impersonations of Fred Astaire.

RENE REDDING, aka Radical Redding. Found at athletic functions. Approach with caution; has six inch dagger fingernails.

DIANE MILLER aka Mil the Pill. When she chews gum, her steel jaws can create a real commotion.

CARRIE QUALLS, aka Calculating Qualls. Regarded by staffers as a real brain. If thoughts could kill, she'd be a real danger.

TRACY EISMAN, aka Tricky Tracy. Used as a mob tool to corrupt student government.

JOE MALEK, aka Malicious Malek. Left hand man of cool hand Comito. Will undertake any task or individual.

CHRIS MORRISON, aka Mighty Morris. Her racket is usually tennis but she shoots a heartless camera, too.

CHRIS ABILEZ, aka Crooked Chris. Always on the take, her sales techniques bring in a bundle.

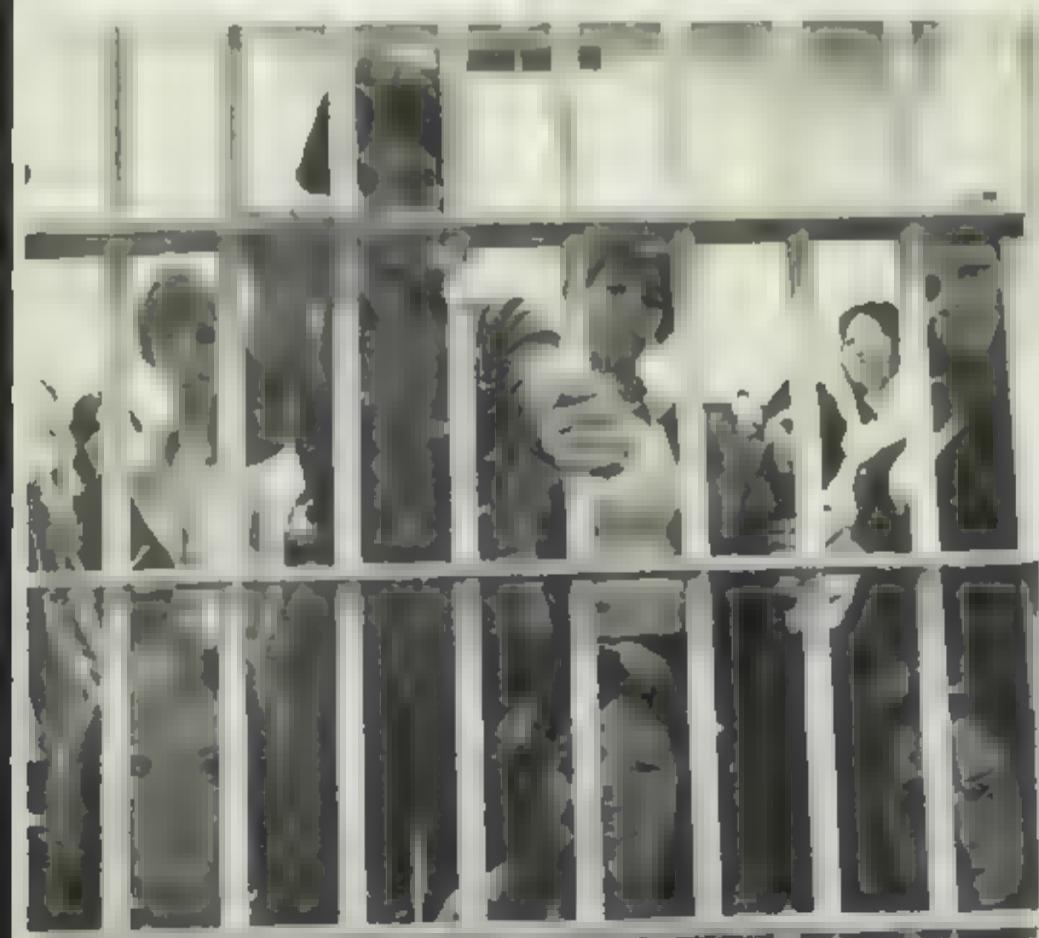

DAWN MARSHALL, aka Marshmellow Marshall. A real softy when it comes to her friends, but will get up at Dawn to eliminate enemies.

JOHN WILHOIT, aka Worry Wort Wilhoit. Wanted by previous staff bosses for unfinished work.

MARY AMENT, aka Merciless Mary. Seldom seen doing a good deed, seldom seen doing a bad deed, but when seen, watch out.

DARLENE McKEE, aka Dainty Darlee. Cute, quiet and clever but watch that smile, it is a Venus fly trap in disguise.

IRENE SIEGEL, aka Ironic Irene. The advisor to this mean group. Watch out for her she's a real toughy.

This year's Varsity Cheerleaders showed the spirit, leadership, and cheerleading precision to win many honors at camp this summer. Cheerleading Camp was held in Santa Barbara and was directed by the National Cheerleader's Association (N.C.A.). Simi Valley competed with over 80 other schools for awards in various categories and was very successful. During their four day stay, they learned ten cheers taught by the N.C.A. and won many Outstanding and Superior Ribbons for the quality in which they performed them. Finally, on the last day, they entered their own cheer, For Maroon, and wound up with a Superior Trophy. To top it all off, they were selected with four other schools to compete for the Dr. Pepper Award which is the highest honor given at camp, and won. The Varsity Cheerleaders' enthusiasm and quality showmanship which won them the honor was carried out throughout the Fall and Winter Seasons for an outstanding year. Congratulations!

Prometheans

Aesculapians; Service With A Smile

If you happen to be walking down the quad and out of the corner of your eye you notice a proud, energetic person who is undoubtedly honest and courteous; you my friend have had the good fortune of sighting an Aesculapian. Aesculapians is a girl's service organization on campus. The Aeskimos sponsor the Sadie Hawkins dance, hold flower and candy sales, and have amusing initiation weeks.

The Express had a whole new look this year. This included everything from covering many school activities, having the paper professionally printed, and expanding the format to four columns. Goals this year were to increase subject content and to appeal to all students.

Key Club International 50 Years Of Service

The Key Club can usually be found working at dances, games, and other school events. Helping out behind the scenes, as at self-scheduling. We serve the community along with our Kiwanis Club, and still find time to run all over California visiting other clubs and going to conventions. In these ways, and others, we've carried the club's banner and Key Club International celebrates it's 50th Birthday this year.

Deca is the Distributive Education Clubs of America. This year Deca has assumed management of the student store, and relocated it in the back of the administration building.

The students of Deca went to county competition on January 16, and went to state competition on March 12. They did well in both.

La Sangre Unida

La Sangre Unida was organized two years ago. Its membership is open to all students who are interested in the Mexican-American culture and who wish to actively participate in both a social and service club. Activities sponsored by the club have included a community wide Mexican dinner in honor of Cinco de Mayo, field trips, fund raising car washes and dances, and this year's Pioneer Festival.

From Across The Globe

1. I'm Bjarne Nielsen (B.J.) and I'm 18 years old. I'm a foreign exchange student from Denmark. Simi Valley and the United States in general is so different from where I live in Denmark. I'll always remember this year because it has been such a great experience. The people in the U.S. are the friendliest people I've ever met.

2. Elio Simionato - Brazil.

3. Hi, my name is Helma Grote Lambers and I come from Otterbed, Germany. I'm 16 years old and when I return to Germany, I'll still have three years of school left before I can graduate. I'm really enjoying my one year stay in the United States and especially Simi Valley. I'm glad I was able to go to Simi High and to meet all the people who were all very nice.

4. My name is Enrique Amoro and I come from Mexico. I'd like to thank everyone at Simi High who has made my year a great one. I know I'll never forget all the fun and the great memories. This year has been one of my best years and I know I'll bring a lot of remembrances back to Mexico with me.

mark, my biggest ambition was to come to the United States and attend an American High School. Not only to learn new things but also to meet new friends from another part of the world. I have learned a lot and I'm sure this year will always be remembered. I want to thank all my teachers and friends. You have really been great people and Simi High is a great school.

5. Pia Ostergaard - Denmark

separating myself from my family and those around me for the last 16 years was very difficult at first, but I believe this word "difficult" indicates a way of growth because I've learned to value my judgement more, rather than being constantly under someone's influence. For these reasons and many others, I don't think I will ever forget Simi High.

6. My name is Lars Jarbeck and I'm a foreign exchange student from Sweden. I like it here very much. All the students and teachers have been so nice to me. This year has meant a lot to me and will be a wonderful memory for the rest of my life. Thank you to everyone.

10. My name is Lena Dahlbom and I am from Sweden. I am a senior this year and I've really enjoyed my stay here in the United States. This has been something I will always remember. I have learned a lot this year and I would like to thank everyone for everything they've done for us.

7. My name is Anette Anderson and I come from Skidstrup, Denmark. I'm 17 years old and after my graduation in Den-

mark, my biggest ambition was to come to the United States and attend an American High School. Not only to learn new things but also to meet new friends from another part of the world. American Field Service

The major goal of the American Field Service Club, more commonly referred to as A.F.S., is to promote friendship and understanding between different nations. This year our club was lucky to have 12 really great foreign exchange students who were active in the club. We all learned a lot from them. This year's activities included many of the usual fund raisers, lots of parties, international dinners, a weekend snow trip to Wrightwood, a trip to Solvang, a trip to Alpine Village, and we were also invited by the studios to see the filming of several shows. We had a lot of fun, and hope everyone will join us next year.

The Art Club (*Les Fauves*) started off the year with 5 of its members attending Art Center School of Design, one of which Maureen Sadler, won a scholarship. The club raised money earlier this year by managing a dance. Also funds were raised at the art sales which were held at Christmas and Springtime. The money was donated to buy a stereo for the Art room.

Drill Team 76

The Pioneer Drill Team has been very successful this year, placing in every event they entered. Among their many accomplishments is a Sweepstakes trophy from the Santa Monica Parade making them one of the top drill teams in Southern California. Other various awards are Sweepstakes at Camarillo, first at the Ventura Parade, camp, and CSUN halftime competition. They performed at many football, basketball, wrestling, and pep assemblies. Most noted for their football halftime as ghosts and the gangfight performed for the Simi-Royal pep assembly.

Color-Guards Lead The Way

The Color-Guard is a first year group with the Simi Valley High School Marching Band. Under the direction of Sandy Gross, and captain, Janet Lewis. This group succeeded in placing second in Southern California competition. Color Guard is composed of 10th, 11th and 12th graders and may be seen rehearsing every day after school with the Marching Band.

Letterettes Excellence in Performance

The letterettes, led by captain Julie Butcher and Co-captain Karen Bowman, had a very successful year. Their first appearance was in the Ventura County Parade, where they scored an excellent 39 out of 40 points. Most of their scores throughout the year were equally outstanding. The high point of their marching season came when they took first place over 44 other I.D. squads at the California Band Review in Santa Ana. Their hard work, and determination helped them to become the best letterette squad that Simi High has ever had. Congratulations!

Simi Stomps Royal 24-8

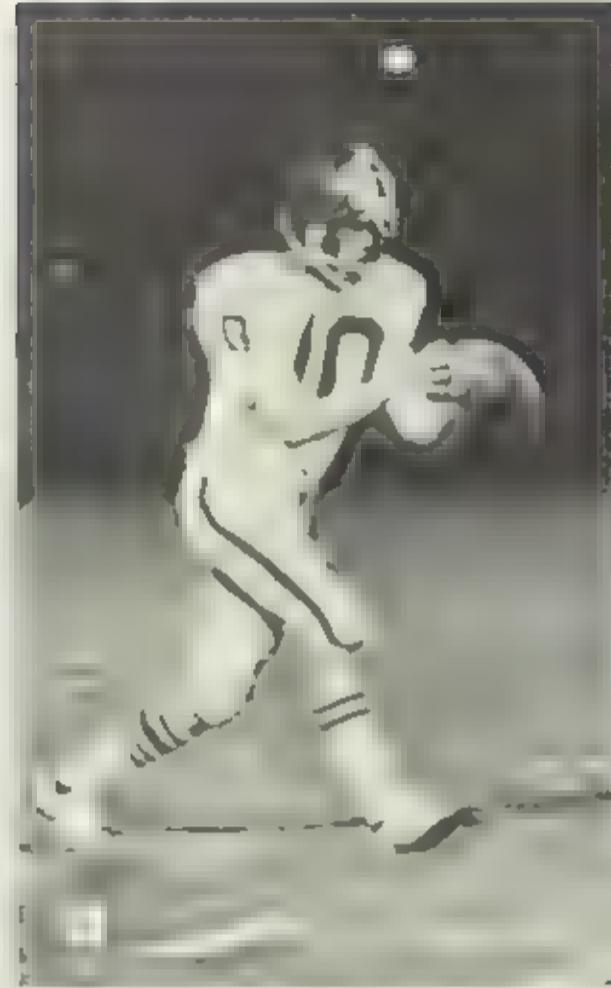

The Simi v.s. Royal game turned out to be a great success, with the Pioneers winning 24-8 over Royal. In the first thirty one seconds of the game Steve Marchnt made the first touchdown. From then on the whole game was a thrill. Scott Schwartz sacked the quarterback eight times in the game and received a trophy for the best Defensive Player of the game. Brian Schwartz received the Golden Helmet trophy for his outstanding performance in the game.

The Sophomore Football program at Simi High was characterized by a large group of enthusiastic athletes eager to learn about not only the game itself but about the work, self-sacrifice, dedication and love needed to bring success. Their efforts were rewarded with impressive wins over Alemany and Oxnard. With the level of enthusiasm still high they look forward to continued competition on the Varsity level.

It was a good year for the Cross Country Team at Simi High. The victory-bound Pioneers took the Marmonte League title away from Royal, (who has had it for the past 6 years). It was a lot of hard work for the guys, but in the end they showed that it was all worth it. Richard Hamilton, Larry Prislac and Bob Bouillon took an outstanding first, second and third place against Oxnard, the toughest team in the league. In order to remain Number One the team had to beat Oxnard at the League Finals and they did just that! Richard Hamilton took first place with Larry Prislac and Bob Bouillon taking third and fourth places. The Junior Varsity Team won 1 and lost 4. Although they only won 1 meet, which was due to the lack of runners, they had some very fine runners. The leading runners were Bill Windham, Don Lichten, and Tom Mapes.

The Sophomore team won 2 and lost 3. They showed a lot of promise and determination for the coming years. The leading runners were Ray Kneer, Chuck Hannaway, and Ray Joske. Richard Hamilton was voted for the Runner of The Year award and Outstanding Senior. He along with Larry Prislac were chosen to the first team of all Ventura County Cross Country Team. Bob Bouillon was chosen for the Second Team, and Mark Hernandez received Honorable Mention. The Coach Jim McCullough was also honored as he was chosen Coach of the Year. We are only losing 3 seniors so the Pioneers are in pretty good shape for next year.

The 1975-76 Varsity basketball season was an extremely exciting campaign. The Pioneers fielded their most competitive and consistant team in the school's recent history. The 9-13 final record was certainly not indicative of the caliber of basketball played throughout the year.

The Pioneers were the victims of "lucky lady" on several occasions. The Simi cagers lost three Marmonte League games by a total of 5 points. Losses to Oxnard twice on last second shots and to Thousand Oaks prevented the Pioneers from going to the C.I.F. playoffs.

Highlights of the pre-league games included a 47-46 victory over San Fernando on a Mark Baird rebound basket with 2 seconds left in the game, and a 71-70 overtime win against Crespi, in which Dave Page scored the winning basket.

In the Marmonte League action, Simi was paced by 2nd team All-League guard Gary Taber and 3rd team All-Leaguers Mark Baird and Dave Page. The Pioneers finished strong with a 63-61 win over C.I.F. bound Thousand Oaks, on another winning basket by Mark Baird at the buzzer.

The Simi five also swept cross town rival Royal, twice by scores of 49-48 and 88-42 in the season finale.

The Pioneers were led statistically by Gary Taber, (12.9), Mark Baird, (12.4), and Dave Page, (10.3), who all averaged in double figures. Taber broke several school records including steals in one game, (11), season free throw pct., (83%), and steals in season, (96). Page also tied the school record of 22 consecutive free throws made.

Other players contributing significantly to The Pioneer effort were co-captain Doug Togerson, Senior Kevin Scattareggia, who sparked several winning rallies as a valuable 6th man, Juniors Steve Carlson, Raul Palomarez, and Seniors Scott Perry, Rick Resetar, and Bernie Cason.

J.V. - Top Row: Coach Dobbins, Gary Parker, Rick Dawley, Rob Worthington, Dave Nelson, Brett Guthrie. Bottom Row: Steve Hokenson, Doug Gagnon, Dirk Schwab, Scott Simcik, Eric Neilson.

The Pioneer J.V. team had a very successful year. In pre-season their record was 11-3 with a third-place finish in the Royal tour and a consolation championship in the Rio Mesa Tour. In league their record was 8-2 and they had the distinction of being the only team to beat the league champ. Coach Dobbins said, "They were the youngest and the smallest team in the league and their 19-5 season stands as a tribute to their determination and hustle."

This year's 1975-76 J.V. II basketball team was coached by Bob Hawking. The team showed enthusiasm to win and finished the season by winning five out of ten Marmonte League games. For most players it was their first year of High School basketball and many hope to play on next years junior Varsity team.

This year's 1975-76 Sophomore Basketball Team was successful in compiling 12 wins and 8 losses. In League play, the team was victorious 6 times to 4 losses. This league record was good for second finish in the Marmonte League. Lee Snyder led the way in league play, averaging 14.2 points per game and 7.8 rebounds a game. Willie Palomarez finished a close second in scoring with a 13.5 average. Craig Rodman was the team's second leading rebounder with a 6.8 average. Coach Scyphers commented by saying, "We were very small and had to use our quickness to win ballgames."

After two years of building with Simi's younger athletes, the Pioneers came into their own this year as the Varsity went undefeated in Marmonte League dual meets to capture the championship. Not only did the Varsity wrestlers compile a 6-0 league record, but they won the major Southern California Tournament. They were champions at Dana Hills, Edgewood and the Marmonte League Tournament. Furthermore, they qualified 9 for C.I.F. sectional of which were alternates. Those qualified were:

98 - Roy Duran, second
106 - Bob Garza, first
115 - Rick Marshall, second
123 - Tim Vogal, third
130 - Jim Porter, second
136 - Greg Porter, second

157 - Dan Richwine, third
178 - Tony Kelley, first

The Simi High Varsity returns as defending Marmonte League champs after the '75 team wound up with a 12-3 league record.

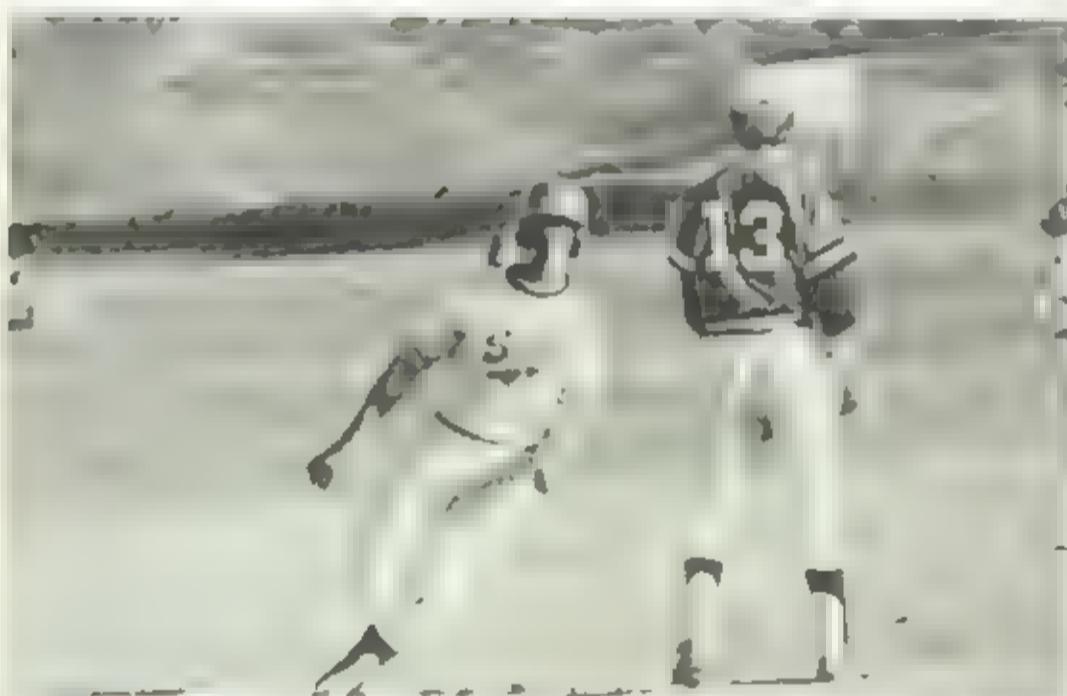

The 1976 team is paced by Seniors Rick Santor, slugging first baseman and pitcher. Rick led the league in hitting with a .438 average. He was unanimous All-League choice. He will also pitch. Also All-League infielder and pitcher Ron Hagen returns after winning 6 games and losing none and finishing with a .305 batting average. Darren Wagner will roam centerfield. He sported a .500 league batting average last season. A couple of Steve's named Marchant and Klein will also bring experience and hitting strength to the Varsity "9." Klein hit .545 in pre-season this year.

Great pitching has been added to the staff with the strong right arm of Junior Fred Harris, who sports a 2-0 pre-season record. Juniors Russ Stephans and Mark Pashia add batting strength to the club this year. Other squad members include Raul Palomarez, Randy Valencia, Ray O'Brian, Scott Dangleis, Joe Longo, Jerry Peterson, Frank Gabriei, Rich Varola, Bob Putnam and Scott Hubbard. Simi Varsity sports a 5-1 pre season record and will open League against Camarillo March twelfth.

Simi Valley High School's Tennis squad began the year with 9 straight Varsity and 8 Junior Varsity victories in the pre-season. This year's squad had 3 returning varsity lettermen Team Captain Tim Knox, Mike Holley, and Dale Rhymer. The team's lack of experience was made up for with hard work and enthusiasm. We were bolstered by the addition of Lars Jarbeck, our Swedish exchange student. Dave Lonnberg, and Curt Richardson rounded out the singles entries in the pre-season. They were pushed by Brian Wager-Smith, Mark Miller, and Bud Nauyokas. Our first doubles team was made up of Keith Woodard and Bryan Ward. We anticipate some surprising success in the Mar-monte League.

This year's sports showed much improvement throughout the year. They had determination to win and proved that they were the best. It was an exciting year for the fans. Congratulations to all the teams, we're proud of you.

All Sports

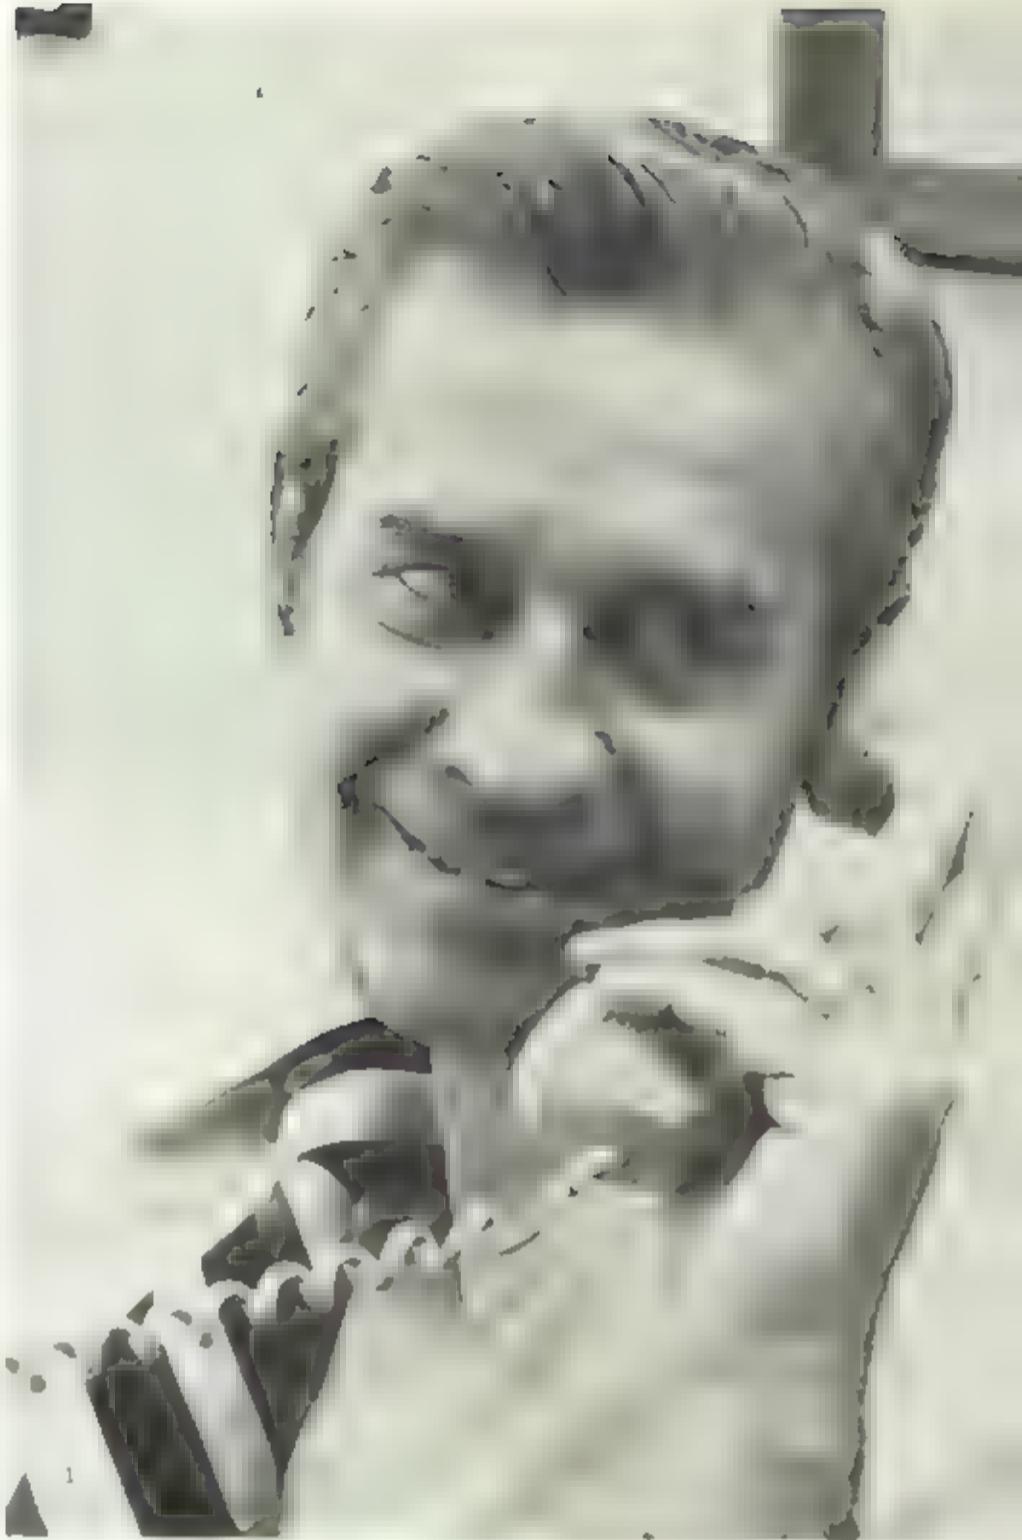

To the Class of 1976:

The Class of 1976 is unique in one very significant respect. You have, during your three years at Simi Valley High School, experienced both famine and feast in the fortunes of our athletic teams. It was a long drought - one that lasted more than the proverbial seven years. It is really a great feeling to know that we have turned the corner and can once more hold our heads high among our interscholastic competitors.

I believe that the reasons for the turn-around are many; however, I believe that there is one very basic reason which establishes your class as an exemplary one. Every class has had its share of fine athletes, its share of dedicated students, and its share of dedicated pep squad members and coaches. The Class of 1976 seems to have a larger proportion of dedicated honor students among its athletes than have past classes. I think that is a very important factor in our recent success. Congratulations and good luck.

The school cafeteria is an important but controversial center on campus. Students need to eat, that's a fact. The controversy, however, is what do they want to eat.

So common are comments such as these, that they've become cliches around the cafeteria:

- "I don't have any shoes."
- "I want soft cookies."
- "I can't decide what I want."
- "Where's Charlotte?"

The school cafeteria is not really any different than any other institution, and to remain unbiased, and as fair as they can, they must constantly keep in mind the saying "You can please some of the people all of the time, and all of the people some of the time, but you can't please all the people all of the time."

For those of you who were pleased all the time, you're welcome, and for those of you who weren't, well that's why we keep trying!

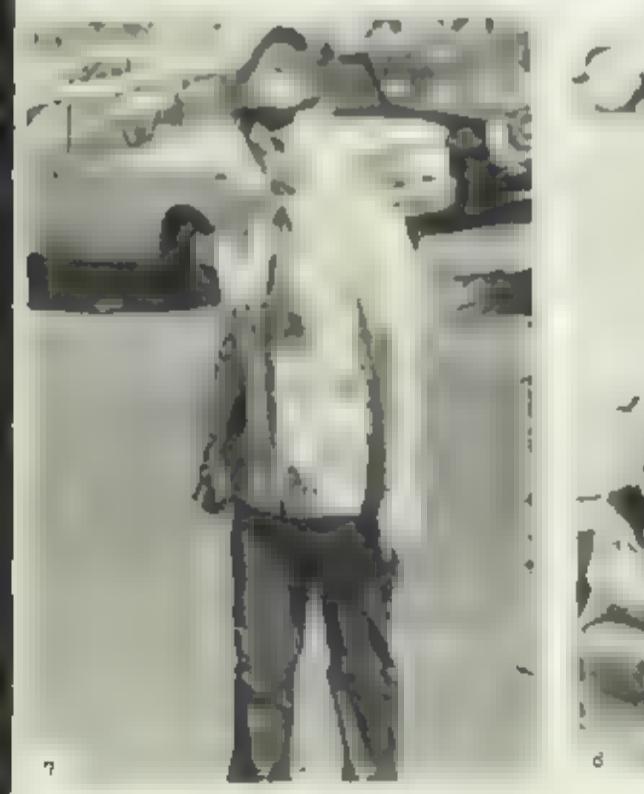

To the Sophomores and Juniors - have a fantastic summer and see you next year!

To the Seniors - good luck in the future and we're gonna miss you!

Junior Class Officers

The Junior class had a very productive year at Simi High. They put much time and hard work into their 1975 Homecoming Float, carrying a Bicentennial theme of "Pioneering a Nation." The float received an award of most original.

The class also worked at the night school coffee shop to raise money for the Spring Prom they sponsor. The Juniors went all out to make the Donkey Basketball game one of the biggest events of the year. Tracy Eisman and Karen Cozad were awarded a statue and a free prom bid for selling \$450.00 worth of Donkey Basketball ads and for the hard work they put into the game. The junior girls challenged the sophomore girls to a football game on the quad this year and had a lot of fun, even though they were defeated. The Junior class also participated in fund raisers on campus.

TO ALL ICX STUDENTS

It has been a great year for us to better understand your countries and customs through a true Cultural Exchange of Ideas. As you continue your lives in your homeland, remember you have left a little of yourself in Simi for us to remember you in our future endeavors.

Sincerely
Paul and Sallie Rouse
Field Representatives, ICX

To Yori,

You best budde and
I hope I will see you this fall.
A pretty good year we had
though it was really
boring. This summer
we'll have to go to the
beach and the club.
Maybe even this summer
Hilbert will ask you
out. Well, stay as
crazy as you are and
we'll be friends again.

Yours
Linda

*If I had a day that I could give you . . .
I'd give to you a day just like today.*

Change and diversity are the meaning of our world, the American Dimension. It is because the season changes, the weather changes, the country changes that the map goes on and on.
